

Atlas Industries — Performance Review Cycle

Policy ID: HR-PRF-005 **Owner:** People Operations **Effective Date:** 1 January 2025 **Version:** 3.0

1. Cycle

Atlas Industries runs **two formal performance review cycles** per calendar year:

- **Mid-year review:** June 1 to July 15
- **Year-end review:** December 1 to January 31

Both cycles cover all full-time and part-time employees who have been in role for at least 90 days at the cycle start date.

2. Components

Each review includes:

1. **Self-assessment** by the employee.
2. **Manager assessment** with concrete examples.
3. **360 peer feedback** from 3 to 5 peers chosen jointly by employee and manager.
4. **Calibration session** at department level before final ratings are released.

3. Rating Scale

Rating	Label	Definition
5	Outstanding	Consistently exceeds all expectations; broad organizational impact.
4	Exceeds	Exceeds expectations on most objectives.
3	Meets	Meets all expectations for the role at the current level.
2	Partially Meets	Meets some expectations; specific improvement areas documented.
1	Below	Significant gaps; performance improvement plan (PIP) required.

4. Performance Improvement Plan (PIP)

A PIP is initiated for any employee rated 1 or rated 2 for two consecutive cycles. PIPs run for 90 days with weekly check-ins. Outcomes of a PIP are documented and shared with HR.

5. Compensation Linkage

- Annual salary review happens in March, based on the **December review only**.
- Promotions can occur at either cycle, subject to budget and headcount approval.
- Bonuses are paid in April for the prior calendar year, weighted as follows:
 - 60% on individual rating
 - 30% on department performance
 - 10% on company performance

6. Disagreements

- An employee who disagrees with their final rating may request a review meeting with their manager within 5 business days of the rating release.
- If unresolved, the employee may escalate to their skip-level manager and HR Business Partner.
- All ratings are final after February 15 (year-end) or August 1 (mid-year).

7. Confidentiality

Final ratings are confidential. Sharing your or another employee's rating outside the manager / HR chain is a violation of HR-COC-004.
